TELFAIR ACADEMY GUILD 2020-2021

TAG RUNS on MEMBERSHIP ENGAGEMENT!

TAG members are encouraged to support at least one TAG activity/event each year. (Active TAG Docents are exempted.) Below are general descriptions of what is involved and estimated time commitments. For more details, contact the current Board Member or Standing Committee Chair of the activity you have interest in – you'll find them in the Directory!

Future TAG Board/Standing Committee Chairs: See Bylaws in the Directory for Board Position information and contact the President or President-Elect for more information about Standing and Special Committee Chairs.

Communications: Grapevine: Help produce the monthly newsletter with copy and artwork contributed by various members (or you!) Knowledge of Typography and Graphic Design is helpful, as is Photoshop or other such software. Requires attention to deadlines. Time Commitment: Medium and variable.

Communications: Publicity/Marketing: Help get the word out to the greater Savannah area about TAG and TAGatNIGHT events. Careful organization and love of deadlines is a must. Time Commitment: 1-2 hours monthly and expect special events to require additional time around the event dates.

Communications: Social Media: Help the publicity/marketing team with your special social media talents! Time commitment is light and flexible.

Communications: Support the Evites Chair to manage the creation and distribution of electronic invitations for TAG and TAGatNIGHT through our Evite program. It's a good way to brush up on your computer and database management skills. Time Commitment: Light.

Communications: Paparazzi wanted! Join a small team that takes photos at TAG meetings and events for use in *Grapevine* and on TAG's Facebook page. Time Commitment: Minimal and flexible.

Holiday Decorations: Help decorate Telfair Academy for the Holiday Season. Time Commitment: Low and limited to November and January. Tasks vary, according to your interest and availability.

Hospitality: Show off your culinary talents or just stop by Sam's Club! Once during the year, we'll ask you to supply a food item for a TAG morning coffee, TAGatNIGHT event or another special event such as the October Member Appreciation lunch. Time commitment is low and mostly coincides with regular monthly meetings and TAGatNight events.

Lecture Series: Meet generally 3x a year to consider possible exhibition opening or other lectures as proposed by the Education Department of Telfair Museums. Ideas are then presented to the TAG Board for final ratification. Here is an opportunity to learn firsthand about upcoming exhibitions and programming. Time commitment is low but scheduled.

Programs: Assist in planning lectures and programs for TAG monthly meetings. You'll work closely with the Board as well as Museums staff and TAG special guests. Time commitment is moderate but scheduled.

Membership: Meet & Greet: You'll come about 20 minutes early to a monthly meeting to welcome and check in new members as they arrive. You are unlikely to be asked to serve more than once in a TAG year. Smiles and a welcoming attitude are the only requirement! Time commitment: Minimal and flexible.

Membership: New Member Welcome: When a new member joins TAG, the Vice President, Membership will ask you to call the member before the upcoming meeting and make sure they feel welcome and at ease. It won't take much time, and you'll make instant new friends! Time commitment: Minimal and flexible.

TAGatNIGHT: The very popular TAGatNIGHT events combine learning about local artists and craftspeople with socializing (and wine!) at unique venues. You'll assist the TAGatNIGHT Chair with themes, logistics, planning and execution of events. Time Commitment: Flexible, depending on your level of interest and availability. Events are in the early evening and locations vary.

Special Events: Committee: Assist with TAG events throughout the year such as the October Member Appreciation Luncheon, November's "A Princely Affair," "Docent's Choice" and the Annual New Member Luncheon. Time commitments vary and there are many ways to contribute and volunteer!

Thank you for being a cherished member of Telfair Academy Guild!
