# Telfair Museums Teen Arts Council

## What is the Telfair Teen Arts Council?

The Telfair Teen Arts Council is a free after-school leadership program for local high school students ages 14-19 years old who are interested in the arts and community engagement. We learn about art exhibitions, museum professions, develop creative programming, and coordinate community events. Meetings take place one or two afternoons per month from 4-6pm during the school year or as needed for group projects and special events.
